The intent of this writing is to supplement my April 25, 2017 certification of public hearing regarding the Kalispel Tribe of Indians' proposal to redesignate lands within the exterior boundaries of the original Kalispel Indian Reservation as a Class I area under the Clean Air Act's Prevention of Significant Deterioration program. After reviewing 40 C.F.R. § 51.102(a) and (d), I certify that the Tribe has complied with all requirements regarding public hearings.
